Financing Statement – Security Agreement

Complete this form to register a Security Agreement in accordance with The Personal Property Security Act. For information visit www.publications.saskatchewan.ca.

Security Agreement – is an agreement between a debtor and a creditor where the creditor agrees to lend the debtor money on the condition that the debtor gives property as collateral. For example, a person goes into a car dealership and buys a car. The dealership has the buyer sign an agreement that says the dealership can take the car back if the buyer defaults on their payments.
